

The 6th Jordanian International Civil Engineering Conference (JICEC) 10th – 12th March, 2015

Jordanian International Civil
Engineering Conference

2nd CALL FOR PAPERS

The 6th Jordanian International Civil Engineering Conference is an extension of the Jordan Engineers Association (JEA) previous five international conferences, the previous conferences provided good opportunities for professionals and academics to meet and exchange experience and developments in civil engineering. This conference will be held in Amman, the capital city of Jordan, which is famous for its excellent weather and unique architecture that makes it worthwhile to visit. Participants will definitely enjoy the friendly environment and the great hospitality of Jordanians at all levels.

Themes

In addition to technical papers, the conference encourages practical and case studies in the following disciplines:

- Structures and Materials
- Assessment and Retrofitting of Structures
- Geotechnical Engineering
- Environmental Engineering
- Construction Management
- Sustainability and Green Structures
- Water Resources and Hydraulic Structures

Submission Guidelines

Abstracts should be submitted in English with maximum of one page.

The following are advised for English script:

- Name of the Author(s), position, addresses, phone, fax and electronic mail: 12 point font cap -small.
- Headlines: 12 point font, cap –small, bold

Paper submission is managed through EDAS:

<http://edas.info/N18277>

Important Dates

Abstract submission dead line	15/10/2014
Abstract acceptance notification	01/11/2014
Full paper submission deadline	15/12/2014
Full paper acceptance notification	15/01/2015
Camera-ready due	15/02/2015

Organizing Committee

Chairman

- Dr. Amjad Barghouthi

Vice - Chairman

- Eng. Sari Zuayter

Members

- Prof. Nouri Al-Mohamadi

- Dr. Naeem Abdulhadi

- Dr. Hani Qidan

- Dr. Anis Shatnawi

- Dr. Mohammad Al-Mashaleh

- Dr. Adnan Alsalihi

- Dr. Raja Younis

- Dr. Muna AlBanna

- Dr. Hamed Al-Ayed

- Dr. Maha Al-Halalsheh

- Eng. Sami Al-Habahbeh

- Eng. Adel Daboubi
